Talking points:

- **Scott created a list** of topics for sharing the trails, be prepared, leave no trace, be a good steward, yield to others.
- **Lynette created a list** of topics on “What has the Bike Hike Committee been working on in 2022? What’s coming up?”

Map blow ups for the booth

- **Erynn** created a “Trail Etiquette” Flyer
- Andy printed a large scale poster of the **Trail Map** and **Trail Etiquette poster**
 - Poster sticky notes to be used to show where points of interest are on the map

- Large paper clips to mount the posters to the gridwall at the booth - **Andy has clips**

Posters for trail usage

Walking challenge suggestion

- Lynette created a flyer for a "Fitness challenge" 2023 - Advertise at the booth for interest
 - Dates: Aug 18 - Fri. Sept. 15th 2023
 - Earn points for walking the trails, biking the trails, Identify plants or flowers by name, shop at Farmer's Market, volunteer, participate in Triathlon
 - **Lynette to send to Andy for printing out flyer** to be posted at our booth.

Fishing Derby capped

- The fishing derby has capped out at 50 for the first time ever! Scott has been advertising through Warrington Rec and Facebook.
- The scouts stuffed all 250 drawstring bags with literature - bags will be given out at the fishing derby first, with remaining bags given out at our booth.
- Scouts should be recognized for their efforts

Ordinance concerning ATVs on the trails

- Scott is recommending NO ATVS on the trails. The current ordinance does not state specifically and would need to be voted on for this to be changed.

Liaison reports:

- Signage budget for next year
- P&R - no update

OTHER BUSINESS:

Trail Etiquette: Add to the flyer

- Earbuds should not be used while riding the trails
- Call out loudly when about to pass someone on trail while riding bike. "Passing on your left" !

- Add to Warrington Day talking points

Triathlon Update: Successful! good turn-out despite the rain. They had their first 9 yr old boy who completed the triathlon. The winner completed the race in 42 min.

- Suggestions for next year: there should be a police presence as crossing guard for Rt. 611 and Freedoms Way crossing during the race.

RIDE WITH GPS APP - Peter Norman - Peter sent the following UPDATE:

Started the route in the parking lot at Bradford Road, off County Line. Then rode around back of dam and onto trail, and then all the way to the 202 parkway trail. At every significant intersection I created a Point of Interest (POI) with instructions on what to do at that point. This is not the best way to create instructions and I will have to edit these to the “Cue Sheet”, when I learn how.

This is a “work in progress” for Beacon App. We need a response for assistance to complete the project. **Andy will look into a contact.**

ADJOURNMENT: 38:50 pm

NEXT MEETING: October 19, 2022; 7:30pm
