

Warrington Township Pool Committee Agenda-
Aug 3, 2023

Old Business

Safety Concerns

- Bathrooms - dirty - 7/23/23- no one is cleaning the bathroom on the weekends- need checklist posted - hourly (Board of Health concerns)
- Vaping - 7/23/23 addressed by Assistant manager - person moved to a different area to continue vaping and 7/27/23-maybe managers should keep a log of who they speak to if rules are not being followed
- Kids on steps - still very inconsistent per lifeguards
- Signs - on email dated from 7/10/23, signed from DPW for the lot were promised - Not done

General Concerns

- on email dated from 7/10/23, designated lines were promised, not happening
- PSA announcements were made on 7/23/23- Once manager left, and assistant manager on duty no announcements were made, 7/ 26/23, 7/27/23 - no announcements at all
- signs near the pool need to be color coordinated by language
- Where is the window in Cool Eats that promised multiple times?

New Business

Safety Concerns

- Cool Eats supervisor approaching members (yelling)- this is a problem
- Harassment of female lifeguard
- 7/23/23- blow up slide was placed in a different area which blocked view for lifeguards at the table (can it be on the other side of Cool Eats ?)

General Concerns

- NEED MORE CHAIRS - taken by 11:10 every day - members are complaining
- any update regarding the grant
- updated website - Mary Barness Pool - ex. If it rains, is the pool closed
- clarification regarding food brought in/ Cool Eats- people need to know the policy (appears to be a double standard)
