Medicare Education and Decision Insight

PA MEDICARE EDUCATION and DECISION INSIGHT

Reasons to use PA MEDI

- PA MEDI Counselors are highly trained to help you navigate the complex system of Medicare.
- Counselors are available throughout the year to provide *free, unbiased, and confidential* services catered to meet your specific needs.
- Services include *personalized* Medicare counseling, answering questions, Medicare education to groups and community outreach.
- **New to Medicare?** We can assist whether you decide to enroll in full Medicare or remain on active employer health care benefits.

You may Qualify to Save Money!

- Screening for a variety of discounts and subsidies including Medicare Savings Programs (MSP), LIS/Extra Help for prescription drugs, and PA PACE/PACENET.
- Medicare Advantage, Supplement and Part D drug plan comparisons to help meet your individual needs and budget.
- Review of Medicare Preventive Services to help you stay healthy!
