2017 Budget – 5 Year Outlook for General Fund

Mr. Luber stated the Township needs to look long term to be a sustainable community.

Mr. Luber reviewed the revenue, expense and fund balance. He stated that fifteen percent (15%) of annual expenses are needed to keep in the fund balance which is based on standards set by the Government Finance Officers Association (GFOA).

Good building years were 2014, 2015 and 2016. 2017 has not been a good construction year. 2018 and 2019 are proposing a lot of projects within the Township. Mr. Luber stated the names of proposed new residential and commercial buildings to be built which will generate revenue. The 5 year projection is based on no tax increase.

Mr. Luber stated he is working on applying for more grants to help offset revenues and expenditures.
