Township History

Early History

Warrington Township was founded in October 1734, and is named after a town in Lancashire, England. The early township consisted of four villages: Warrington, Neshaminy, Tradesville, and Pleasantville.

Warrington was located at the intersection of Bristol Road and the Doylestown-Willow Grove Turnpike, now known as Easton Road (Route 611).

Neshaminy, originally known as Warrington Square, was centered at Street Road and the Turnpike (611), but became known as Neshaminy because of its proximity to the Little Neshaminy Creek.

The Village of Tradesville was near Lower State Road and was originally known as Stuckert's Corner because of a store operated by a man named Stuckert.

The Village of Pleasantville (or Eureka) was located near Lower State Road and County Line Road. It was the location of the first church in the township, The Reformed Church of Pleasantville, founded in 1840.

Long-ago designated as "The Gateway to Historic Bucks County," Warrington Township is home to almost 25,000 residents and over 375 businesses and is not only a dynamic residential area, but a bustling commercial center, as well. Across its 13.8 square miles, the Warrington community is nestled amidst both agricultural and preserved lands, including 300 acres dedicated to parks and active recreation and nearly 700 acres of open space. Diverse in terms of its land-use, communities, and commerce, residents enjoy a thriving quality of life with convenient access to countless Bucks County historic, cultural, and artistic gems. Warrington is proud of its tradition of responsible growth and development and is dedicated to the same steadfast approach to the administration of municipal government our forefathers exemplified over 200 years ago!

Mission Statement

To promote and protect the health, safety, and welfare of the residents of Warrington Township, in an inclusive, transparent and fiscally responsible manner.

READER'S GUIDE TO THE BUDGET

The purpose of this reader's guide is to outline the Township's budget process, clarify the format and content of the budget document, and explain certain aspects of the Township's financial structure as it relates to the budget process. A glossary of key terms is provided at the end of this document.

It is suggested that examination of this budget document be preceded by a review of the Budget Message. The Budget Message provides an overview of the major assumptions relating to the budget, summarizes the major goals and policy changes, updates the status of the Township's finances and service levels, and provides other significant information on the budget.

PURPOSE OF THE BUDGET

The annual budget is the medium through which the Township Board of Supervisors establishes the authorization of the Township government to spend money during a fiscal year for specific purposes. The budget is a financial, operations, communications, and policy guide which reflects the allocation of limited revenue among competing uses.

BUDGET PROCESS/CALENDAR

Financial management is a responsibility that is carried on throughout the year. Quarterly financial analyses are presented to the Board of Supervisors to communicate financial information. Management maintains and updates a long range (multi-year) financial model to provide overall financial guidance. This information provides the background for the formal, annual budget preparation process.

The 2022 budget development process began in the summer when Department Heads began preparing their anticipated goals for 2022 and budget requests. Throughout the fall, these requests were reviewed and analyzed by the Township Manager's Office. Department liaisons of the Board of Supervisors communicated with the Department Heads in their areas of oversight to review budgeting needs and priorities.

The five-year Capital Improvement Program budgeting process begins in late spring of each year. Staff, working with the Township Engineer on projects requiring engineering, prepares recommended projects for inclusion in the Program.

The 2022 Proposed Budget and the 2022 - 2026 Proposed Capital Improvement Program was made available to the public. Budget workshops were held in September and October on both the 2022 - 2026 Proposed Capital Improvement Program and the 2022 Proposed Budget and both are scheduled to be considered for adoption on November 23, 2021

BUDGET FORMAT AND CONTENT

The budget document begins with summary information and the Budget Message. Following the Reader's Guide is the Fund Budgets section of the Budget. This section presents financial policies and summary information for revenue and expenditures of the General Fund and the other budgeted funds used by the Township.

Next follows the Departmental Budgets section, which presents each department's mission, major responsibilities, specific goals for 2022, 2021 accomplishments, and three years of financial expenditure data by fund.

The Supplemental Information section provides additional applicable information and summaries not included elsewhere.

FINANCIAL STRUCTURE

The Township's financial structure and budget have been established and developed through statutory requirements and guidelines of the Commonwealth, the use of fund accounting based upon Generally Accepted Accounting Principles (GAAP), and specific operational considerations particular to the Township.

Financial resources have been segregated into ten major funds: General Fund, Fire Fund, Utility Proceeds Fund, American Rescue Plan Fund, Tax Stabilization Fund, Open Space Funds, Capital Improvement Fund, Debt Service, Highway Aid Fund, and Internal Service Fund. All fund budgets are in the Fund Budget Section. It is the Fund (and not departmental) allocations and budgets that control the Township's spending.

The basis of the coding structure continues to be the fund. In addition, funds are budgeted to the department using key codes, which are a combination of the department and fund.

While expenditures are assigned to a department, an expense code and a fund, a department may incur spending in a few different funds.

Revenue generated is assigned to a fund and used to provide a source of income to pay for the fund's resource requirements. It is the close matching of revenue availability with the use of financial resources through expenditures and encumbrances that balances each Fund and provides for financial stability in the operation of the Township.

BUDGET CONTROL AND BASIS OF BUDGETING

During the year, budgetary control is undertaken at the individual department, Finance Department and Township Manager's Office level. The Financial Director meets with each department to review its current budgets and recommend necessary fund transfers.

The Township prepares its budget and internal financial statements on a modified accrual basis. Revenues are recognized when they are measurable, i.e., when the amount of the transaction can be determined, and available, i.e., when the revenues are collectible within the current period or within a time frame to pay liabilities of the current period.

CAPITAL BUDGETING

The Capital Improvement Program (CIP) is a separate document outlining the Township's plan by year, for long-term capital requirements. Expenditures for projects in the first year of the five-year plan are budgeted in the Utility Proceeds Fund, the American Rescue Plan Fund, the Open Space Fund, Capital Improvement Fund, the Internal Services Fund, and the Highway Aid Fund. These are primarily construction projects or major purchases that generally have a useful life of ten years and a unit or project cost of \$10,000 or more. A project may be multi-year in project construction life or funding. The CIP is financed primarily from general obligation bonds issued by the Township, federal and state grants, and proceeds from the sale of the water and sewer systems.

Many of these capital asset acquisitions, and improvements do not add new operating or maintenance costs to the Township's budget. These are replacements or reconstruction of existing assets and therefore save the Township in reduced maintenance and repair costs. First time assets generally do increase operating and maintenance costs. These costs would then become components of future operating budget requirements. The individual funds contain further discussion of the capital projects and the impact on the Operating Budget.

BUDGET MESSAGE

November 9, 2021

Chair and Members of the Board of Supervisors
Township of Warrington
852 Easton Road
Warrington, Pennsylvania 18976

Overview

The 2022 Warrington Township Proposed Budget is respectfully submitted to the Board of Supervisors and citizens of Warrington Township. As presented, this spending plan will allow the Township to continue to provide outstanding municipal services and programs to its residents and businesses with no proposed tax increase. We are continuing the Homestead Rebate program for residential taxpayers at the Township level reducing taxes approximately \$24 per household. This is a change from 2021 wherein the tax reduction was approximately \$48 per household.

The Board reviewed the proposed budget on multiple occasions, and conducted budget workshops on September 28, 2021, October 12, 2021, and October 26, 2021. The purpose of this Budget Message is to highlight aspects of the budget which is the Township's Financial Plan for the coming year. A more detailed analysis of the budget can be found in the accompanying worksheets.

The 2022 Proposed Budget presents a spending plan of \$16.3 million dollars in the General Fund, which is the primary operating account for the Township. The 2022 proposed revenues nearly match the appropriations and there is a fund balance of \$5.9 million in the General Fund that can be utilized to ensure that expenditures for next year can be met. The Township has twelve funds included in the budget. In addition to the General Fund, other funds include Debt Service, Highway Aid, Internal Service, and a number of capital projects type funds. Also included are the Utilities Proceeds and Tax Stabilization Funds which were created by the Township's sale of its water and sewer systems in late 2019.

The 2022 Budget continues to build on the objectives established by Township management to develop a more comprehensive and functional financial plan. We will once again be preparing a budget document that meets the Government Finance Officers Association's (GFOA) Distinguished Budget Award criteria. Budget elements of financial forecasting and benchmarking continue to be integrated into the document, to provide a complete reader-friendly picture of the Township's future financial position.

Department heads prepared estimates for the current year expenditures and budgetary requests for next year, along with justification for changes in actual and requested spending levels. After reviewing all departmental information, the Township Manager had meetings and discussions with department heads to further refine the budgetary requests for both operating and capital budgets. In addition, budget review meetings were held with the department heads and the Board liaison with their particular departments, along with the Manager and Assistant Township Manager. In 2022, management will continue to search for traditional and innovative ways to provide the level of services and programs that residents have come to expect in the most cost-effective manner.

This Budget also continues the Township's reinvestment in existing facilities while acknowledging the financial challenges with doing so. This reinforces the Township's commitment to maintaining critical infrastructure and equipment.

COVID-19

The Township prevailed in its second year of COVID-19 successfully operating with no interruption of services to our citizens. This was due in no small part to a dedicated Board and staff that worked together to ensure the delivery of the outstanding services Township citizens have come to rely upon. There has been a supply shortage that has impacted the global economy. However, the Township has continued to meet its obligations and go beyond in all possible aspects of carrying out its responsibilities. The Township is simultaneously continuing to ensure that our residents continue to have access to high-level professional emergency services including Police and Fire protection.

Staffing

As of the 2020 Census, Warrington Township grew to a population of 25,639 people. The Township's population was recorded as 23,418 people in the 2010 Census. In a matter of 10 years, the Township has added 2,221 people (or a 9.5% increase). This increased population has resulted in a greater demand for services from both Township residents and businesses. Additional growth in our commercial and industrial districts has compounded the impact on demand for services from the Township. As the population and demand for services increase, so must the scope and quality of services provided by the Township.

Police Department

In 2020, the Police Department lost one full time and one part time administrative employee. The following positions have been approved in conjunction with the 2022 Budget:

1. Community Service Officer – Part-Time
2. Administrative Assistant – Full-Time

Emergency Services Department

Warrington Township is serviced by both a Volunteer Fire Company and paid firefighters. Currently, the Paid Fire Department is comprised of 3 Full-Time Firefighters and a pool of Part-Time Firefighters to fill the equivalent of 2 Full-Time Firefighters. Unfortunately, it is becoming increasingly difficult to cover shifts with Part-Time Firefighters due to scheduling conflicts. Therefore, the following position has been approved in conjunction with the 2022 Budget:

1. Firefighter – Full-Time (to replace the Part-Time pooled equivalent of 1 Full-Time)

Code Enforcement Department

The Warrington Township Board of Supervisors has recognized a need to ensure the health, safety, and welfare of all its residents, including renters. A Rental Inspection Program will be implemented in 2022 to ensure that residents who rent in Warrington can experience the same level of safety as those that own properties in Warrington. The Rental Inspector will also be able to assist the Code Enforcement Department with Property Maintenance inspections that are currently handled by the Director of Code Enforcement. Therefore, the following positions have been approved in conjunction with the 2022 Budget:

1. Rental Inspector – Full-Time
2. Rental Inspection Clerk – Full-Time

Zoning Department

Land Development, Land Redevelopment, and home improvements have been surging over the past decade or so. The work involved in ensuring that these projects meet Zoning and Land Development requirements has been handled with minimal staffing and could no longer be accomplished in a timely manner with existing staffing levels in a Township of our size and sophistication. Therefore, a position was converted from Part-Time to Full-Time in Fall 2021:

1. Assistant Zoning Officer – Full-Time

Finance Department

Over the past few years, staffing level within the Finance Department has fluctuated with attrition. Additional assistance is needed to continue to ensure that the Township's finances are well-managed. Therefore, a Part-Time Staff Accountant position has been approved in conjunction with the 2022 Budget:

1. Staff Accountant – Part-Time

Public Works Department

Population, business, and commuter increases have added considerable wear and tear to our existing infrastructure. Additionally, these increases have been accompanied by additional land and infrastructure maintenance responsibility for the Township. The Public Works Department has made do with its team of unparalleled professionals. However, the work simply exceeds the manpower. Over the last several years, the following assets have been added to the Township and have been maintained by the Public Works Department without any increase in personnel:

- Lions Pride Park
- Anderson Way Tot Lot
- New Police Station
- New walking trail segments
- Rental property a 3400 A & B Pickertown Rd
- Rental Property on Turk Rd
- Open Space Preserves

The following positions have been approved in conjunction with the 2022 Budget:

1. Equipment Operator/Laborer – Full-Time
2. Part-Time Laborer – Part-Time

Programs

The Warrington Township Board of Supervisors' primary responsibility is to ensure the health, safety, and welfare of the Township's citizens. The Board is also focused on continually improving the quality of life for its citizens where and when possible. There are three programs for 2022 that are of great importance to the Board:

1. Rental Inspection Program- As referenced within the "Staffing" section of this message, the Township will be implementing a Rental Inspection Program. This program is necessary to ensure that all residents are living in safe and healthy homes. Rental units are required to have Use and Occupancy Inspections prior to a new tenant moving in. There has not been an effective method to ensure that this happens. The new Rental Inspection Program will require all rental units to be inspected on an annual basis to ensure that all our residents are living in a safe and healthy home. This program will be cost-neutral as the revenue from the inspection fees will cover the costs of the new staff to manage the program.
2. Open Space/Walkability of Warrington Township- Warrington Township has been actively acquiring Open Space to preserve natural resources within the Township. Where and when possible and appropriate, the Township has planned and installed walking trails throughout the Township to establish an inclusive trail system. Not all Open Space is planned to be integrated into the trail system, but the Board is focused on making Warrington a Walkable Community.

3. Communications- The Township has been aggressive in its communications and outreach to our community within the last few years. The Township website, social media pages, and other communications tools have been leveraged to ensure that our residents have multiple opportunities to stay informed. The Township will continue to offer such communication resources as:
- a. The monthly E-LINK (online newsletter)
 - b. The quarterly LINK (physical and online newsletter)
 - c. Notify (Mass Communication/Reverse 911)
 - d. Frequent and up-to-date web and social media posts
 - e. Public Service Announcement Videos
 - i. Snow Plowing, Natural Disasters, Roads, and safety
 - ii. Coffee with the Chief
 - iii. Spotlight on Local Businesses and Non-Profits (COVID-19 peak)
 - iv. Spotlight on Boards, Committees, Councils, and Commissions
 - v. Interviews with Department Heads and Township Manager

Economic Outlook

The economic outlook for the Township is positive. There are existing developments that will continue to generate revenue throughout 2022. There are other projects that are in the planning stages that should be underway in 2022 and create increased activity within the Township. Ongoing development generates jobs, enhances the Real Estate Tax base, and increases Earned Income Tax and Local Services Tax revenue. New development also adds to Park and Recreation Assessment Fees, which are used to improve Township parks.

The Township has retained its Moody’s assigned Aa1 rating. The Township's Aa1 rating reflects its large tax base with above average wealth, modest debt, and strong financial position bolstered by the recent sale of its water and sewer systems. Typical factors that contribute to a ratings upgrade may include a significant tax base expansion and continued growth in reserves and liquidity. Warrington is in a select group of Pennsylvania Municipalities that have the Aa1 designation. This will save Warrington Township residents money any time we need to borrow funds for capital projects.” This outstanding rating is due in part to strong fiscal policies, good fiscal management and conservative budgeting by the Township and an above-average Fund Balance (“rainy day fund”) that the Township maintains.

Warrington Township has leveraged its funding sources to deliver outstanding services to its citizens and will continue to do so moving forward. The Township utilized the Utility Proceeds Fund (UPF) in 2021 to fill a \$1.2 million funding gap in its General Fund (GF). Much of this funding gap was a result of the loss of longtime revenue that came from the former Water and Sewer Department to cover shared expenses. While future growth is anticipated to somewhat mitigate the loss of that revenue, additional funding must be leveraged to fulfill the Township’s responsibility to pass a balanced annual budget. The 2022 budget includes the utilization of \$400,000 from the UPF, \$400,000 from the Tax Stabilization Fund (TSF), and

\$500,000 from Health Insurance Reimbursements to work towards closing an anticipated \$1.49 million funding gap. The remainder of the funding gap will be closed by a 50% reduction in the savings residents continue to enjoy from the Homestead Rebate program, as well as a shifting of real estate tax millage allocation from the Debt Service Fund (DSF).

The UPF was primarily established to fund capital projects following the sale of the water and sewer systems. The Township also planned on using funds from the Utility Proceeds Fund to gradually wean the General Fund off the longtime revenue from the former Water and Sewer Department. The Tax Stabilization Fund was established to assist in the mitigation of potential tax increases following the sale of the water and sewer systems. While this fund can continue to be utilized to fulfill its purpose, it cannot be used as the sole funding source to cover all non-traditionally funded expenditures. Good governance includes recognizing what our citizens need and determining the best way to meet those needs. Therefore, the Township will need to explore funding source adjustments in the future, including real estate tax increases to continue to meet its obligations and continue to provide the outstanding services our citizens deserve and have come to expect.

Infrastructure and Capital Projects

As we prepare for 2022, the Township will continue to invest in its infrastructure to maintain or replace assets which help make Warrington a great place to live or work. The importance of maintaining our infrastructure cannot be overstated. Stormwater infrastructure and roads are critical during major inclement weather events like Hurricane Ida. Some of the capital projects to be undertaken in 2022 include:

Stormwater Facilities

- MS4 System Map
- Stormwater Rehabilitation – Warrington Village
- Drainage Improvements – Philadelphia Avenue
- Emergency Spillway Modifications – Palomino Basin
- TMDL – PRP Projects (Naturalize Basins)

Facilities

- Township Building Façade Renovations
- Fire Station 78 Masonry Repair
- Township Building HVAC Replacement
- Township Building Touchless Restrooms
- Township Building Boardroom A/V Upgrades
- Police – LiveScan Prisoner Processing
- Electric Car Charging Stations (3)
- 10 Folly Road Schoolhouse

Parks and Recreation/Open Space

- Upper Nike/Lions Pride – Additional Parking
- Lions Pride – Pond to Wetland
- DocterAdams® Community Park
- Mill Creek Preserve Master Plan
- Weisel Preserve – Fencing/Benches/Trees
- Conservation Easements

Public Works/Roads

- Road Paving Program
- Township Building Access – Easton Road
- Bus Shelter – Freedoms Way/Easton Road
- Easton Road – Sidewalk Installation
- Salt Shed

Preparation of the Budget is a collaborative process involving the efforts of the Board of Supervisors, department heads, and Township staff. It is derived from a fiscally conservative approach that keeps in mind the needs of the community. The 2022 Budget is a reflection of a well-thought-out plan to maintain the high standards and quality of life for the residents of Warrington Township. Putting a budget together takes a great deal of time and effort and is a team effort. I'd like to especially commend Assistant Township Manager Christian Jones, and Assistant Finance Director Amy Organek for their hard work in assisting me in putting the 2022 budget together.

Respectfully submitted,

Barry P. Luber,
Township Manager

Strategic Goals & Strategies

The Warrington Township Comprehensive Plan was updated to manage and plan land use and development in Warrington Township. A comprehensive plan is a municipality's main policy document that summarizes a community's planning and development issues and develops strategies and recommendations to carry out its desired vision for the future. In addition, the Township has updated its Warrington Township *Parks, Recreation, and Open Space Plan*, which is a separate document that supplements this comprehensive plan. The *Parks, Recreation, and Open Space Plan* details municipal policy, priorities, and recommendations that focus on township parks, recreation, and open space.

- **Public Participation**

Public participation was an important part of the process in the development of the comprehensive plan. Members of the Planning Commission, the Board of Supervisors, and Township administration oversaw the development of the plan, ensuring that its scope and direction reflected the values of the Township. In addition, a community survey was sent to every property owner in the Township to gather opinions on a variety of planning and community service subjects. These opinions were directly incorporated into the plan.

- **Building upon Foundations**

The plan builds upon the foundations established in the 2006 *Comprehensive Plan Update*. Three main themes and seven guiding principles are proposed to provide a growth management strategy for the Township. The main themes encompass managing and monitoring growth, maintaining Township and community character, and providing for overall vehicular and pedestrian mobility and connections. In short, the themes touch upon the changing needs of the Township and establish policies and strategies to maintain and manage future challenges to sustain a high quality of life for Township residents.

The seven principles that the township will use to guide actions and decisions include:

1. **Manage residential growth**—Current densities as regulated by the current zoning ordinance will be maintained to accommodate new development needed to meet requirements of the Pennsylvania Municipalities Planning Code and the Township's share of regional population growth.

2. **Manage non-residential growth**—Development, while occurring at current intensities, will occur in the best manner possible by making sure ordinances and planning efforts are state of- the-art and follow current best practices.

3. **Promote sustainability and protect natural resources**—Environmental features and natural resources will be protected, through ordinances and enforcement of all environmental laws

4. **Preserve open space and protect agriculture**—Open space and farmland will be preserved, either through the development process or through use of available state and county grants.

5. **Promote mobility and connections**—Traffic will be managed by creating a local network of streets, by working with neighboring communities, by providing safe routes for bikes and pedestrians, and by working with PennDOT on local and regional highway and intersection improvements.

6. **Protect historic resources**—Historic sites and resources will be protected by cataloguing all important historic sites and using available tools to protect them.

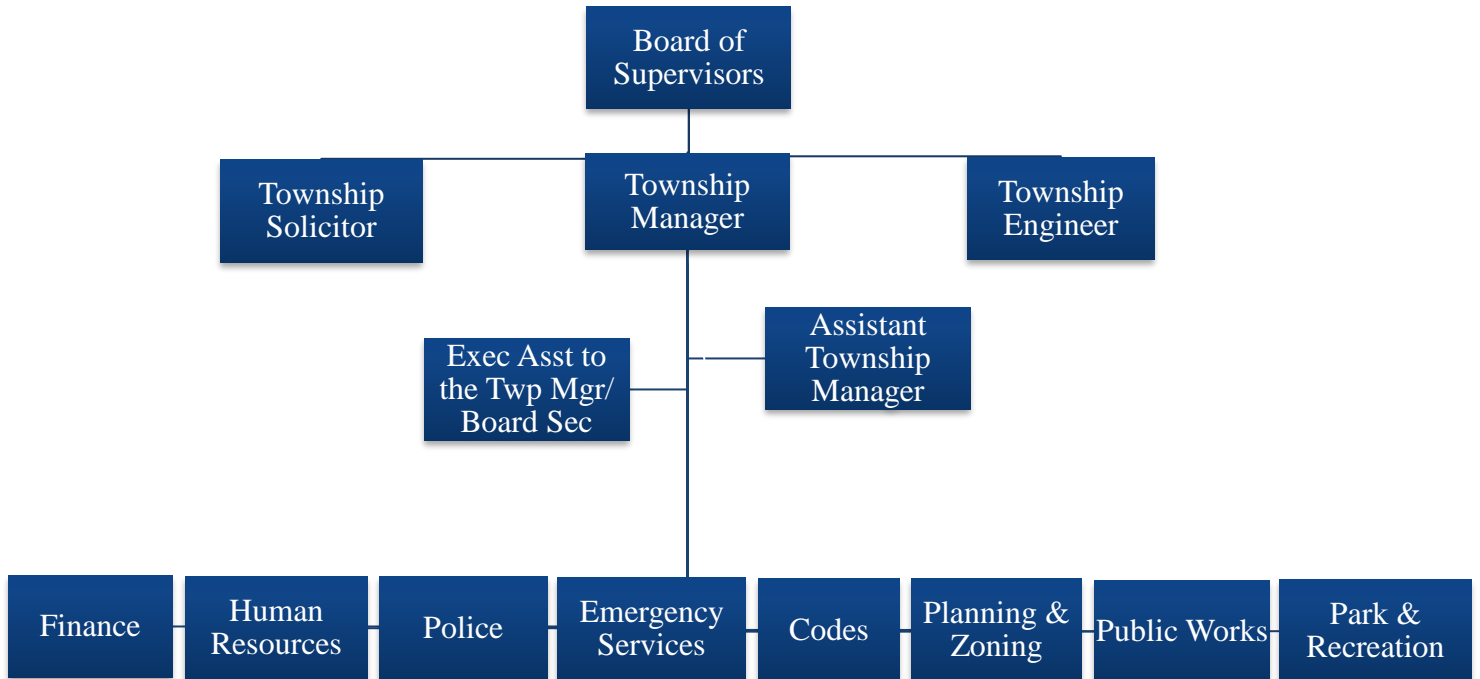

7. **Build livable communities**—Township resources will be used wisely to provide good services to residents while maintaining fiscal responsibility.

Conclusion:

Following the comprehensive plan and implementing recommendations in the *Park, Recreation and Open Space Plan* will have a significant impact on the budget for years to come. The Township must balance the recommendations and guidance in both plans with the need for all other Township resources when developing annual budgets.

Budget Process

Annual Budget Preparation

Department Heads are given departmental budget worksheets and information gathering requests.

After the Departmental Budget worksheets and other information are received, meetings with the Department Managers and Board Liaisons are held. The Township Manager and the Finance Department begin preparing the Budget.

Near the end of September, the Board of Supervisors' liaisons convene a meeting(s) to discuss the preliminary figures of the Budget. The meeting(s) provide direction for Staff to finalize the Proposed Budget.

Proposed Budget

The Board of Supervisors establishes a public sessions(s) date for the Proposed Budget.

The Township Manager and the Finance Department complete the Proposed Budget and submit the document to the Board of Supervisors.

Staff makes the Proposed Budget available for inspection by the public, not less than two (2) weeks before a public session on the Budget.

Public Sessions

Typically, at the Budget Work Sessions, before the Board of Supervisors Regular Meetings in September and October, at least three public sessions are held to discuss the Proposed Annual Budget.

The Township Manager and the Director of Finance make a presentation on the Proposed Budget to the Board.

After public input and direction from the Board regarding that input, Staff prepares the Annual Budget for adoption.

Adoption of the Annual Budget

The Board of Supervisors shall adopt the Budget by ordinance on or before the last day of the last month of the fiscal year currently ending December 31st. If the estimated revenue or expenditures are increased more than 10% in aggregate or 25% in any major category over the proposed budget, it may not be legally adopted until notice is made and opportunity is given for the public to examine.

Financial Policies

FINANCIAL POLICIES

CASH MANAGEMENT AND INVESTMENTS

It shall be the policy of the Board of Supervisors to ensure that public funds are protected while optimizing the return on Township funds through investing cash balances in accordance with this policy.

The primary objectives of investment activities, in priority order, shall be:

- Legality – All investments shall be made in accordance with all applicable laws of the Commonwealth of Pennsylvania.
- Safety – Safety of principal shall be of highest priority. Preservation of capital in the portfolio of investments shall be ensured through the mitigation of credit risk and interest rate risk.
- Liquidity – Investments shall remain sufficiently liquid to meet all operating requirements that are reasonably anticipated. A fiscal year operations anticipated cash flow shall be developed so that investments can be made as early as possible, with maturities concurrent with anticipated cash demands.
- Yield – Investments shall be made with the objective of attaining a market-average rate of return throughout the budgetary and economic cycles, taking into account the investment risk constraints and liquidity needs.

SCOPE AND AUTHORITY:

All funds shall be invested in accordance with this policy. This includes all funds which are property of the Township or funds held by the Township, as fiduciary, including the General Fund, the Water & Sewer Fund, bond proceeds, capital reserve funds and all other such funds. However, this policy shall not cover other funds which are not property of the Township such as pension funds. Legal authority and rules pertaining to this policy include: Section 3204.1 of the Act of May 1, 1933 (P.L. 103, No. 69), reenacted and amended November 9, 1995 (P.L. 350, No. 60), known as the Second Class Township Code. The Township Board of Supervisors reserves the right to amend this policy or waive any of its guidelines in order to address fiscal requirements and/or market conditions provided that any amendments or waivers comply with all applicable laws.

DEFINITIONS:

- Short-term – any period twelve (12) months or less.
- Long-term – any period exceeding twelve (12) months' duration.
- Concentration of credit risk – the risk associated with the consolidation of investments in a single pool, institution, or instrument.
- Credit risk – the risk of loss of principal due to the failure of the security issue or backer of the issue.

- Custodial credit risk – the risk of loss associated with consolidation of investments with a single institution where the Township may rely on the institution to hold investments on behalf of the Township or through collateral action when the instruments are not in the Township name.
- Interest rate risk – the risk that the market value of securities will fall due to changes in general interest rates.

DELEGATION OF RESPONSIBILITY:

The Board shall delegate to the Township Manager or the Finance Director the responsibility to manage the Township's investment program in accordance with this policy. No revenue derived from Water and Sewer Department Operations shall be comingled with other funds of the Township (as per Resolution 93-R-18). All investments will be made with financial institutions with which the Township already has an established banking relationship with. All investments made in other financial institutions must be approved by the Board of Supervisors. Additionally, all investments other than traditional checking or savings accounts, money market accounts, certificates of deposit, or U.S. treasury bills must be approved by the Board of Supervisors.

The Finance Department will provide regular information concerning cash positions and investment performance.

An annual review of the investments shall be performed by the Chief Financial Officer, based upon the anticipated cash flow of all Township funds, e.g. general, capital reserve, sewer/water, and bonds.

The Director of Finance shall report the following to the Board on a monthly basis:

- Amount of funds invested.
- Interest earned.
- Type and the amount of each investment.
- Names of the institutions where investments are placed.

GUIDELINES:

As stated in the Second-Class Township Code, there are certain types of investments in which the Township is permitted to invest. These investments include:

- Authorized types of investments of Township funds are:
 - United States Treasury bills.
 - Short term obligations of the Federal Government or its agencies or instrumentalities.
- Deposits in savings accounts of time deposits, other than certificates of deposit, or share accounts of institutions insured by the Federal Deposit Insurance Corporation, the National Credit Union Share Insurance Fund, the Pennsylvania Deposit Insurance Corporation or the Pennsylvania Savings Association Insurance Corporation, or their

successor agencies, to the extent that the accounts are so insured and, for any amounts above the insured maximum, if approved collateral therefore is pledged by the depository.

- Obligations of the United States of America or any of its agencies or instrumentalities backed by the full faith and credit of the United States of America, of the Commonwealth of Pennsylvania or any of its agencies or instrumentalities backed by the full faith and credit of the Commonwealth or of any political subdivision of the Commonwealth of Pennsylvania or any of its agencies or instrumentalities backed by the full faith and credit of the political subdivision.
- Shares of an investment company registered under the Investment Company Act of 1940 (54 Stat. 789, 15 U.S.C. §80a-1 et seq.), whose shares are registered under the Securities Act of 1933 (48 Stat. 74, 15 U.S.C. §77a et seq.), if the only investments of that company are in the authorized investments for Township funds listed in paragraphs (1) through (4).
- Certificates of deposit purchased from institutions insured by the Federal Deposit Insurance Corporation, the National Credit Union Share Insurance Fund, the Pennsylvania Deposit Insurance Corporation or the Pennsylvania Savings Association Corporation or their successor agencies, to the extent that the accounts are so insured. However, for any amounts above the insured maximum, the certificates of deposit shall be secured by a pledge or assignment of assets of the institution, and the collateral may include loans, including interest in pools of loans, secured by first mortgage liens on real property. Certificates of deposit purchased from commercial banks shall be limited to an amount equal to twenty percent of a bank's total capital and surplus. Certificates of deposit purchased from savings and loan associations or savings banks shall be limited to an amount equal to twenty percent of an institution's assets minus liabilities.
- Any investment authorized by the 20 Pa. C.S. Ch. 73 (relating to fiduciaries investments). This paragraph is limited to investments for any pension or retirement fund.

All securities shall be purchased in the name of the Township or the Township Water & Sewer Department and held by the bank's trust department or by an agent in the Township's name.

All investment advisors or banking institutions shall be provided with a copy of this policy and all applicable statutes related to Township investments and shall be required to comply fully with these requirements.

The Township shall require all investment advisors or banking institutions to submit annually audited financial statements.

Disclosure

The Director of Finance, being involved in the Township’s investment process, shall disclose all personal business activity that could conflict with the proper execution and management of the investment policy or could impair their ability to make impartial decisions.

Audit

All investment records are subject to annual audit by the Township’s independent auditors.

The audit shall include, but not be limited to, independent verification of amounts and records of all transactions, as deemed necessary by the independent auditors.

It shall be the responsibility of the investment advisor or banking institution to maintain necessary documents to permit independent audit of the Township’s investments.

Bond Proceeds

Bond proceeds shall be invested in accordance with the Local Government Unit Debt Act (Act of July 12, 1972 P.L. 78 1, No. 185) and applicable federal and state laws, subject to approval by the solicitor and/or bond counsel and the Township.

Investment transactions arising from bond proceeds shall be reported monthly to the Board in accordance with this policy.

Compliance with GAAP

Township funds shall not be invested in foreign currency and shall not have any related risk that would require disclosure pursuant to GASB Statement 40.

Township investments shall limit the exposure to loss of principal due to market changes in interest rates.

Township investments in authorized instruments that are not backed by the “full faith and credit” of the federal or state government shall be limited to those with the highest two (2) credit ratings for such instruments issued by a recognized organization.

If the rating of any instrument is reduced after the purchase and is no longer in compliance with this policy, the individual responsible for Township investments shall replace the investment immediately upon receipt of notice of the rating change and notify the Board of the rating change, action taken and replacement investment.

CAPITAL PROJECTS FUNDING POLICY

Purpose

The Capital Projects Funding Policy sets guidelines to fund Capital Improvement Projects or for the acquisition of capital equipment that cost at least \$10,000 and has a useful life of at least ten years. Finding alternative ways of funding these projects will minimize the Township's reliance on long-term debt. Whenever possible, capital costs should be financed by means other than borrowing. In addition to soliciting outside grant funding, Warrington Township should utilize pay-as-you-go methods such as regular contributions from other funds.

Policy

The following methods of obtaining funds are to be utilized for the carrying out of Capital Improvement Projects or capital equipment acquisition. They are ranked in descending order with the most desirable method listed first.

1. Grants – Opportunities for federal, state, local government and other grants sources should be explored and applied for whenever possible. Funds accumulated under this policy may be used as a match of grant funds as may be required by the grantor.
2. Interest Income – Interest earnings on any accumulated funds under this policy should be utilized to fund future projects or capital asset acquisition.
3. Contributions of non-reoccurring revenue. The Board of Supervisors may through resolution contribute any amount over fifteen percent (15%) of one-time, non-re-occurring revenue in the General Fund. The fifteen percent will be determined during the budget building process by estimating year-end revenue totals for each revenue line item contained in the budget. If it is projected that a revenue category that had non-reoccurring revenue and will exceed the budgeted level by at least 15%, the Board of Supervisors may assign any portion of the amount over 15% for capital projects or capital asset acquisition. When making any decision as to a contribution of non-reoccurring revenue, the Board of Supervisors should take into consideration whether or not the Township has met its threshold under the Fund Balance Policy. Examples of non-reoccurring revenue include, but are not limited to:
 - a. Real Estate Transfer Tax from the sale of property not routinely sold, such as a shopping center, office or apartment building, or an industrial property.
 - b. Permit fee revenue from unusually large-scale residential or commercial development projects.
 - c. Proceeds from the sale of Township owned building or property.
 - d. Donations or contributions.
 - e. Borrowing through the issuance of Bonds, Notes or Collateral should be considered after all other means of funding have been exhausted.

DEBT

The Township's Debt Management Policy statement sets forth guidelines for the financing of capital expenditures of the Township. It is the objective of the policy that (1) the Township obtains financing only when necessary and consistent with this policy, (2) the process for identifying the timing and the amount of debt financing be as efficient and open as possible, and (3) the most favorable interest rates and other related costs be obtained.

Debt financing is permitted to be issued or incurred under Commonwealth of Pennsylvania laws and shall only be used to purchase capital assets that will not be acquired from current resources. The payout schedule of any debt the Township issues shall generally not exceed the useful life of the asset or project; this allows for a close match between those who benefit from the asset and those who pay for it.

To enhance creditworthiness and prudent financial management, the Township is committed to systematic capital planning, intergovernmental cooperation and coordination, and long term financial planning. Evidence of this commitment to capital planning will be demonstrated through the annual adoption and periodic review of the five-year Capital Improvement Program (CIP), cash flow analysis of the spending plans, and regular public reporting of the information. The Township Board of Supervisors reserves the right to amend this policy or waive any of its guidelines in order to address fiscal requirements and/or market conditions.

1. Use of Debt Financing

- a. Debt financing will not be considered for any recurring purpose such as current operations or maintenance expenditures.
- b. The Township will invest any bond proceeds in safe, statutorily approved investment instruments, designed to match the expected cash flow needs of the capital projects. Adherence to the IRS Code and guidelines on arbitrage shall be followed, with the assumption that the Township will strive to meet the IRS spending exceptions that allow for arbitrage-related exemptions from rebate for these funds.
- c. The Township will use debt financing only for one-time capital improvement projects and unusual and long-lived (over 10 years) major equipment purchases under the following circumstances:
 - i. The projected useful life of the projects and/or equipment will be no less than ten years and collectively be equal to or exceed the term of the financing;
 - ii. There is anticipated to be revenue sufficient to service the debt, whether from anticipated annual revenue from the General Fund, Water & Sewer Fund, or other approved sources.

2. Structure and Term of Debt Financing

- a. Debt will be issued and structured to match projected capital cash flow needs, minimize the impact upon future budgetary revenue needs, and maintain a relatively rapid payment of principal.
- b. The Township will utilize borrowing terms of 20 years or less.
- c. General Obligation bonds will be the typical mode of long term debt financing, but bank loan or bond pool financing will be considered.
- d. Competitive sales of bonds will be generally preferred, depending upon market conditions.
- e. Bond issues will be structured to generally seek level debt service schedules so as to minimize significant changes from year to year in overall debt repayments.
- f. The typical structure of bonds will result in level or declining principal and interest (combined) payments over the term of the debt. There shall be no “balloon” payments due at the end of the term for long term debt.
- g. The Township will not use or issue interest rate derivatives or swap instruments.
- h. Principal payments will typically commence the calendar/fiscal year following the issuance of the bonds.
- i. The Township will be mindful of the potential benefits (from lower interest rates) of issuing “bank-qualified” bonds, and will pursue such benefits when practical.
- j. The Township will typically seek fixed rate financings, especially in times of stable credit markets, however, from time to time, variable rate financing will be considered.
- k. Call provisions will typically be included in new money bond issues. The call provisions will range between 5 year and 10 years.
- l. The Township will be mindful of its non-electoral debt limitations established by State law and endeavor to operate well within such limits at all times.
- m. The Township will seek to refund/refinance (current and/or advanced) its prior bond issues if favorable market conditions exist. A goal of achieving overall net present value savings of at least 3% will be a guiding benchmark.
- n. The sizing of any debt borrowing of the Township will be made after taking into consideration the probable timing and sizing of future borrowings so as to properly plan for future estimated capital cash flow needs.

PURCHASING

This policy applies to all purchases, contracts for goods and construction entered into by Warrington Township.

Definitions

1. **Blanket Purchase Order** – Blanket purchase orders are available to departments when there is a need to repetitively purchase miscellaneous supply items from a single vendor. A blanket purchase order is issued for a specific dollar amount. When the encumbered dollars have been used, a new requisition must be processed to reestablish the blanket order for further purchases.
2. **Cost-reimbursement Contract** – A contract under which a bidder is reimbursed for costs which are allowable and allocable in accordance with the contract terms and the provisions of this policy, and a fixed fee or profit, if any.
3. **Goods** – All material, equipment, supplies, printing and computer hardware and software.
4. **Governing Body** – The Warrington Township Board of Supervisors.
5. **Informality** – A minor defect or variation of a bid or proposal from the exact requirements of the Invitation to Bid, or the Request for Proposal, which does not affect the price, quality, quantity, or delivery schedule for the goods, services, or construction being procured.
6. **Professional Services** – Work performed by an independent bidder within the scope of the practice of accounting, architecture, land surveying, landscape architecture, law, medicine, optometry, pharmacy, actuarial services, or professional engineering.
7. **Public Body** – Any legislative, executive or judicial body, agency, office, department, authority, post, commission, committee, institution, board, or political subdivision created by law to exercise some sovereign power or to perform some governmental duty, and empowered by law to undertake the activities described in this policy.
8. **Request for Proposals** – All documents, whether attached or incorporated by reference, utilized for soliciting proposals.
9. **Responsible Bidder** – A bidder that has the capability, in all respects, to perform fully the contract requirements and the moral and business integrity and reliability which will assure good faith performance, and who has been prequalified, if required.
10. **Responsive Bidder** – A bidder that has submitted a bid that conforms in all material respects to the Invitation to Bid.
11. **Services** – Any work performed by an independent bidder, except for construction, which does not consist primarily of acquisition of equipment or materials, or the rental of equipment, materials and supplies.

Approval Authority for Purchases

A Purchase Requisition for the purchase of supplies, equipment or services shall be created for amounts greater than \$4,000. Personnel in the requesting department shall create a purchase requisition as well as scan and attach supporting documentation in the Caselle

Software for approval by the Department Head and the Director of Finance. Upon approval, Accounts Payable will create a Purchase Order in Caselle which will be printed out and attached to the invoice for payment. When required, departments will e-mail the Purchase Order to the vendor. All Purchase Requisitions for an amount over the bidding threshold (*) must also be approved by the Township Manager. The Director of Finance will forward the Purchase Requisition to the Township Manager for approval and will notify the Department Head if approved. *The Director of Finance and Township Manager have full authority to question the quality, quantity, kind, and source of materials and services being requisitioned.*

(*) Effective January 1, 2012, under Pennsylvania ACT 90-2011, the bid threshold for advertising and bidding was changed from \$10,000 to \$18,500 and is subject to change every calendar year based on the Consumer Price Index for the period ending September 30th of each year. This amount will be rounded to the nearest \$100, and no annual increase will exceed 3%. As of January 1, 2020, the bid threshold is \$21,000.

Purchases that exceed \$4,000 but are less than the bidding threshold (currently \$21,000) shall be subject to the following provisions:

- A. Insofar as it is practical, no less than three (3) businesses shall be solicited to submit quotations for purchases over \$4,000.
- B. Awards shall be made to the business offering the lowest responsible quotation.
- C. The name of the businesses submitting the quotation, the date and the amount of each quotation shall be recorded and maintained as a public record by attaching to the respective invoice.
- D. All quotations solicited that are expected to exceed \$4,000 shall be submitted in writing by the businesses.
- E. All purchases under \$4,000 do not require pre-approval by the Township, as long as the item(s) was budgeted accordingly. All unbudgeted purchases must be approved by the Township to ensure the availability of funds.
- F. The purchase of goods or services shall not be artificially divided so as to constitute a small purchase.
 - Written quotations from at least three qualified and responsible contractors are required for all contracts and or purchases that exceed \$4,000 and less than \$21,000.
 - Purchases between \$10,900 and \$20,100 require the approval of a member of the Board of Supervisors. After the purchase requisition is approved. The Finance Department will forward the purchase information, via email, to the Board of Supervisors department liaison. After a Supervisor's approval, the Director of Finance will then approve.

- For all purchases that exceed \$1,000 but are less than \$4,000, it recommended that at least three verbal quotes are received in order to ensure that the Township is getting the best value.

Township employees are not to enter into procurement contracts, or in any way obligate Warrington Township for procurement indebtedness except as specifically authorized by this manual, by the Township Manager or by the Director of Finance.

FUND BALANCE

Fund balance is the net position of a governmental fund which means the excess of a fund's assets over its liabilities. The Township shall maintain a minimum year-end GF undesignated fund balance no less than 10 percent of that year's total GF operating expenditures. This will provide a minimum GF reserve for emergencies and contingencies and allow the Township to realize a certain level of investment earnings. Further, it is the goal of the Township to maintain a year-end GF undesignated fund balance within a minimum of 10 percent and a maximum of 15 percent of that year's total GF operating expenditures. Undesignated GF fund balance is defined as those financial resources available for spending and therefore not reserved for specific purposes such as encumbrances.

1. **Fund Balance Planning:** Each calendar year during the budget-building process, the GF fund balance reserve will be evaluated by the Board of Supervisors to determine if adequate levels of reserves are being maintained, based upon the Township's financial strength and economic conditions. The Township will retain flexibility to allocate available funds based on the current circumstances and needs of the Township. Financial analysis for the planning of the following year's year-end GF undesignated fund balance will be undertaken by the Township's Finance Director and presented periodically to the Board of Supervisors. At a minimum, such analysis shall be reported in advance of or within the publication of the annual GF Proposed Budget in November.
2. **Fund Balance less than 10 Percent:** If the year-end GF undesignated fund balance has fallen or is expected to fall below 10 percent, the Board of Supervisors shall adopt a plan to provide for a scheduled replenishment back to a minimum of 10 percent by the end of the next fiscal year. In the absence of such a Board plan, the Township Manager shall implement expenditure reduction measures to accomplish such replenishment.
3. **Fund Balance less than 10 Percent Goal:** If the year-end GF undesignated fund balance has fallen or is expected to fall below the minimum goal of 10 percent as outlined in this policy, the Township Manager will present a plan for consideration by the Board of Supervisors to implement actions that would restore the fund balance to at least the minimum 10 percent goal.
4. **Fund Balance in excess of 15 Percent Goal:** If the year-end GF undesignated fund balance has exceeded or is expected to exceed the maximum goal of 15 percent as outlined in this policy, the Board of Supervisors may direct the Township Manager to present a plan for consideration by the Board to implement actions that would reduce the fund balance to within the goal range of 10 percent to 15 percent.

Fund balance for enterprise funds is defined as the excess of a fund's current assets over its current liabilities. For the Township enterprise funds, the Water & Sewer Fund shall strive to maintain an annual minimum operating reserve or fund balance of 10 percent of operating expenditures in each of its enterprise funds. This minimum level is to establish a reasonable reserve for emergencies and contingencies.

Warrington Township classifies governmental fund balance as follows:

Non-spendable - includes fund balance amounts that cannot be spent either because it is not in spendable form or because of legal or contractual constraints. Fund balance types of this category are prepaid expenses and inventories.

Restricted – includes fund balance amounts that can be spent only for specific purposes stipulated by external parties, through enabling legislation, or constitutional provisions. Fund balance types of this category include amounts for debt service, streetlights, fire protection, parks and recreation, capital reserve, liquid fuels, and bond funds.

Committed – includes fund balance amounts that are constrained for specific purposes that are internally imposed by the government through formal action of the Warrington Board of Supervisors. Commitments may be changed or lifted only by the Warrington Board of Supervisors through the same formal action that imposed the constraint.

Designated Cash Carry Over – The designated cash carry over fund balance reserve is committed by the Warrington Township Board of Supervisors in the annual budget and any amendments thereto to provide funds for the differences, if any, between budgeted revenues and expenditures.

Assigned – includes fund balance amounts that are intended to be used for specific purposes that are neither considered restricted nor committed. Fund Balance may be assigned by the Township Manager and/or Director of Finance.

Unassigned – includes all amounts not contained in the other classifications. Unassigned amounts are technically available for any purpose. These are funds to ensure the maintenance of services to the public due to emergency or unplanned expenditures or unanticipated revenue shortfalls in accordance with the Township's stated fund balance policy.

Funds Overview

Fund Listing

General Fund (01)

The General Fund is the primary operating fund for the Township. The fund is supported by taxes, fees, and other revenues that may be used for any lawful purpose. This is the principal fund of the Township and includes all operations not required by law or policy to be recorded in other funds.

Utility Proceeds Fund (02)

The proceeds from the sale of the Water & Sewer Systems are set aside in this fund primarily for capital improvement projects.

Fire Fund (03)

This fund was re-established in 2019 to set aside revenue from real estate taxes and record expenses specifically for the volunteer fire company.

American Rescue Plan Fund (04)

This fund was created in 2021 to track federal grant revenue awarded to local governments due to COVID-19. Eligible Capital Projects will be funded through this fund.

Tax Stabilization Fund (05)

This fund was established in 2019 to set aside revenue from the sale of the Water/Sewer systems to offset future Real Estate Tax increases should the Board of Supervisors elect to do so.

Capital Projects – 2016 Bond Issue/Loan (14)

2016 bank loan of \$6 million to fund capital projects. Revenue is from interest earnings. Projects funded are primarily for the new Police Station and renovations to the Township Building; storm drain rehabilitation; road resurfacing; and Swim Club rehabilitation. This Fund is slated to be closed out as of December 31, 2021.

2019 Bond Fund (15)

Proceeds from sale of bonds of \$10 million will be used to fund the costs of the new police station and other Capital Projects. This fund is slated to be closed out as of December 31, 2021.

Open Space Fund (16)

This fund is primarily for the acquisition and improvements to open space and parks, and for historic preservation. Funds are also used to increase the trail system throughout the Township.

Capital Improvements (19)

The source of revenue for this fund comes primarily from the Park and Recreation Fee and also “one-time” or unusually large spikes in revenue from General Fund categories. Expenses are for Capital Projects at Township Facilities or Parks and other Capital Projects.

Debt Service Fund (21)

Revenue for this fund is derived primarily from a Real Estate Tax levy on property owners. Expenditures are for the re-payment of debt incurred from the sale of bonds or for loans taken out to fund various Capital Projects. All expenditures are for the repayment of principal, interest expenses, or trustee fees.

Highway Aid – (Liquid Fuels) (35)

Revenue for this fund typically comes from two sources, the annual allocation from the Commonwealth of Pennsylvania and interest earnings. Due to the new Transportation Funding bill, the annual Liquid Fuels allocation is in the third year of four continuous years of annual increases. Expenses are primarily for snow removal and the paving of roads.

Internal Services (38)

This fund’s major source of revenue is an assessment made to various departments in the General Fund to fund the purchase of replacement vehicles and major equipment such as document management or a computer upgrade project. Other sources of revenue are from loan proceeds and revenue from the sale of surplus equipment. Expenditures are for the purchase or lease of vehicles, major equipment, or major computer upgrade projects.

Other Funds:

Police Pension Fund (60)

Revenue is derived from interest and dividends earnings; loss on investments; and employee contributions. Expenses are for payments to retirees as well as advisory and actuarial fees.

Non-Uniformed Pension Fund (65)

Revenue is from interest and dividends earnings; loss on Investments; and employee contributions. Expenses are for payments to retirees and actuarial services

FUND STRUCTURE BY BUDGETARY BASIS

BUDGETARY BASIS

Budgetary Basis refers to the basis of accounting used to estimate financing sources and uses in the budget. There are three (3) primary bases for budgeting: Cash Basis, Modified Accrual Basis and Accrual Basis. The Township does not use the Cash Basis for any funds within the Budget.

Modified Accrual Basis of Budgeting

Modified Accrual Basis is the basis of accounting under which expenditures other than accrued interest on general long-term debt are recorded at the time liabilities are incurred and revenues are recorded when received in cash except for material and/or available revenues, which should be accrued to reflect properly the taxes levied and revenue earned.

**GENERAL FUND (01)
REVENUE CATEGORIES
TRENDS AND ASSUMPTIONS**

Function and Description: The General Fund accounts for the financial resources of the Township which are not included in any other fund. Principal sources of revenue are taxes, licenses and permits, and departmental earnings.

REVENUES

Real Estate - This represents all real estate tax payments collected in the for the current year tax levy. The projected 2021 revenue is \$3,060,000. In 2022, it is assumed that the Township's real estate assessment tax revenue will increase 10% to \$3,355,000. This increase includes the 50% reduction to the Homestead Rebate and the reallocation of millage from the Debt Service Fund to the General Fund.

Real Estate - Transfer Tax - The 2021 estimate of \$1,200,000 is 31% more than the 2021 Budget. The Proposed 2022 Budget anticipates a slight reduction at \$1,160,000.

Earned Income Tax – This tax is generated on the earnings of residents and is estimated to bring in \$5,440,000 in 2021, which is 3% or \$165,000 more than budgeted. For 2022, the proposed budget is \$5,535,000, which is 2% higher than projected for 2021.

Local Service Tax - This tax represents \$52 levied on any individual who works in the Township and earned more than \$12,000 annually. The proposed 2022 budget is \$497,000.

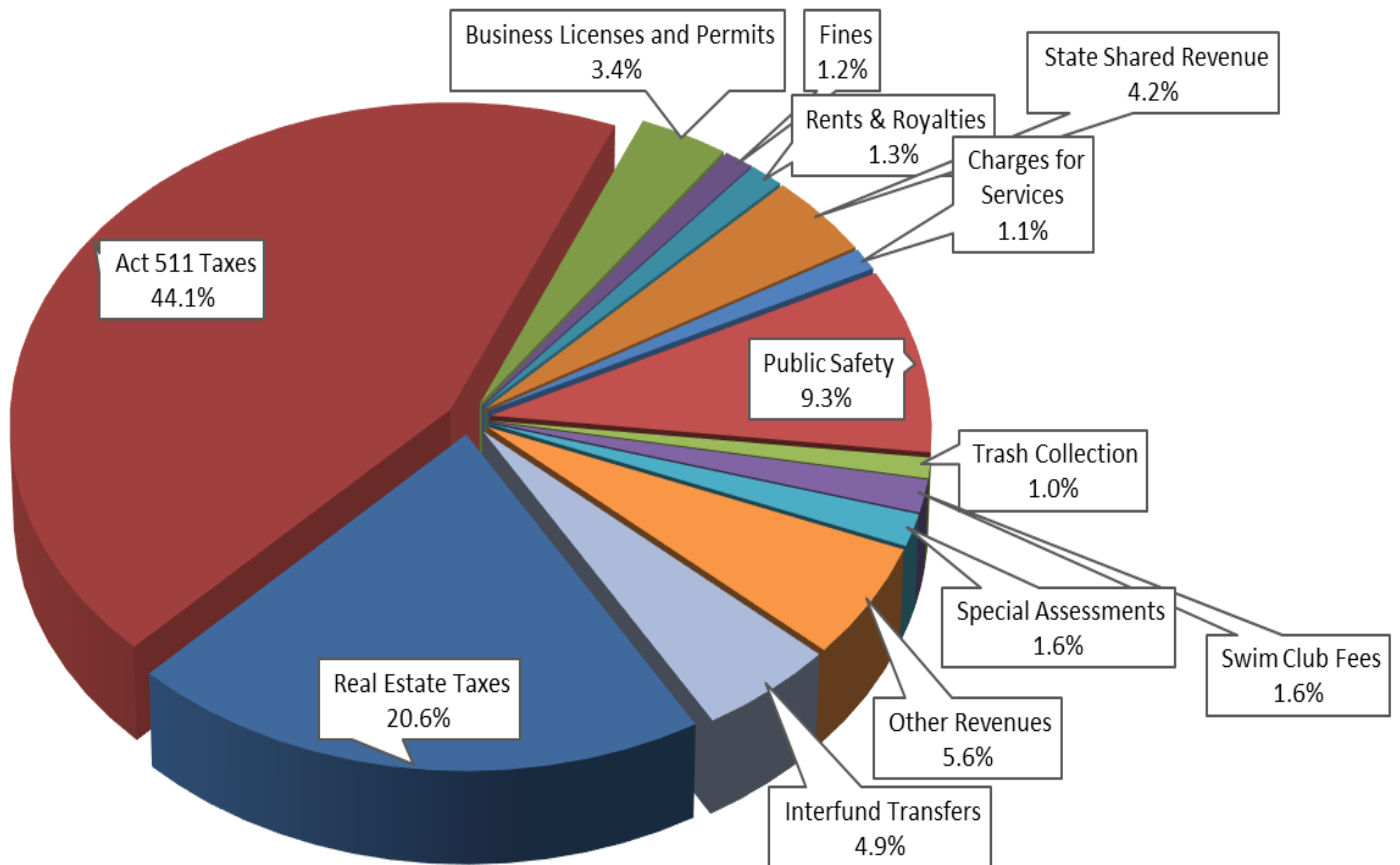

Licenses & Permits: This revenue generally increases moderately from year to year, as a result of the Township's fiscal policy requiring annual updates of fees. The 2021 estimate is \$555,200 or 3% lower than the 2021 Budget. The Proposed 2022 Budget is projected at \$ 559,200, marginally higher compared to the 2021 estimate. Cable Television fees did drop in 2021. It is uncertain how these numbers will look in the future.

Building and Electrical - This is revenue collected from licenses and/or permits for: soil erosion control; buildings; electrical; multiple dwellings; and contractors. The 2021 projected revenue is \$253,300 higher than 2021 Budget due to the increase in construction projects. The Proposed 2022 Budget is projected at \$1,518,000 which is a 10% increase compared the 2021 estimate. This increase reflects anticipated revenue from the Rental Inspection Program which will be implemented in 2022.

Recreation - The 2022 Proposed Budget is \$356,350, an increase of \$25,920 or 7% compared to the 2021 estimate. Parks and Recreation Assessment fees will remain the same in 2022 as they are estimated in 2021 at \$165,000.

2021 Projections

For 2021, we are projecting revenue at approximately \$15.5 million and expenditures at approximately \$15.4 million. There is an anticipated \$150,000 surplus creating an increase in the Fund Balance. The Government Finance Officers Association (GFOA) recommends retaining at least 15% of current year expenditures as the minimum level of reserves. The 2021 ending Fund Balance is projected to be \$5.94 million, or 38% Fund Balance (percent of 2021 expenditures).

2022 Proposed Spending Plan

For 2022, the Township continues to have a fiscally conservative balanced budget. Proposed revenue is \$16.3 million as compared to \$16.3 million expenditures, with a slight surplus of \$ 42,000. The fund balance will be \$5.98 million or 36% of expenditures.

Long Range Financial Plan

- No increase in Real Estate Taxes in 2022. Homestead Rebate continues to be offered at a 50% reduction from 2021: 2% growth in taxable assessed valuation for increased assessments
- Transfer Tax is projected to increase 2% annually
- Earned Income Tax is projected to increase 3% annually
- Franchise fees may decrease as online video reduces cable TV revenue. New franchise agreements may offset an anticipated reduction in cable subscribers. Projecting flat
- Fines and Penalties assumes a 2% increase
- Interest Earnings is projecting to increase 1%
- Rent and Cell Towers leases have been reduced with the sale of the Water & Sewer systems. Rents projected as flat
- State and Local grants are assumed to remain constant over the five years
- Public Safety permits revenue expected flat until 2023, then 2% decrease after building subsidies
- Transfers from the Utility Proceeds fund, Tax Stabilization Fund, and Health Insurance Reimbursements will assist in covering funding gap in 2022. A decrease in use of these funds each year following 2022 in conjunction with tax base growth and incremental real estate tax increases projected to eventually close this gap
- Benefits are projected at 3% increase for health and 3% increase for Workers Comp and others.
- Pension is projected to increase through 2022 and then decrease through 2026 based upon Actuarial Assumptions

DEPARTMENT: HUMAN RESOURCES

MISSION

Develop, implement and support programs and processes that add value to Warrington Township and its employees, by leading to improved employee welfare, empowerment, growth and retention. The human resources department supports the goals and challenges of Warrington Township, by providing services that promote a work environment that is characterized by fair treatment of staff, open communications, personal accountability, trust and mutual respect. We will seek and provide solutions to workplace issues that support and optimize the operating principles of the organization.

RESPONSIBILITIES

- Act as a strategic partner with the Township Manager advising on required human resource and payroll policies, procedures, federal, state, and local laws. Represents the Township at human resource related functions and meetings.
- Coordinate employee recruitment and selection including all pre-employment background checks and physicals, onboarding and new employee orientation.
- Develop, recommend and direct all activities of the municipal human resources program including compensation, benefits, evaluations, promotions, demotions, transfers, and staff training.
- Administer and manage FMLA, ADA, HIPAA, Paid Time Off (PTO), sick leave programs and usage. Serves as the Township's ADA/EEOC/Privacy Officer ensuring that the Township is compliant with federal regulations.
- Administer the programs of wellness, organizational training & development, mentoring, succession planning, employee recognition and leadership development.
- Maintain employee personnel and medical records, electronically and manually as well as highly confidential information, records and material. Works closely with management staff to address internal control issues (if any) as recommended by the Township's auditors.
- Maintain and update human resource policies and Employee Handbook in compliance with Township ordinances, resolutions, and statutory regulations.
- Develop and implement Board approved personnel policies.
- Audit and maintain updated human resource files to comply with state and federal regulations.
- Coordinate all employee benefits, including life insurance, short and long term disability, and supplemental insurance coverage.
- Act as a liaison for all fringe benefit plans vendors including pensions; 457 Plans; medical (prescription/dental/vision); life, disability, worker's compensation, and voluntary insurance programs.
- Manage open enrollments and benefit sign-ups.
- Develop and maintain job descriptions and pay classification structure.

2022 GOALS

- Continue to ensure I-9 compliance and conduct an I-9 audit.
- Review benefits for cost and benefit comparison for the Township and employees.
- Review Employee Handbook and update.
- Ensure ADA compliance for all job descriptions.

2021 ACCOMPLISHMENTS

- Human Resources ensured I-9 compliance with all new hires.
- Created policies and provided assistance with policies that were implemented such as the Hiring and Background Check Policy, the COVID-19 Policy and the Telecommuting/Working from Home Policy.
- The employee handbook was reviewed and is in the process of being updated.
- All positions that were posted in 2021 were made ADA compliant if applicable.
- Informed and communicated to employees the different health, wellness and safety events employees can participate in virtually and may be eligible to receive reimbursements.
- A new training platform was implemented for employees and supervisors which involves access to training courses for employees to take as well as department heads can schedule training and track the training for their departments.
- Recruiting/Interviews/Onboarding – Due to COVID-19, Human Resources had to change the way we operate in many ways but especially with Recruiting/Onboarding. Human Resources was able to recruit, interview, and hire employees virtually. This resulted in a smooth transition allowing department openings to be filled as well as for the Mary Barness Community Pool to be staffed this past summer.

DEPARTMENT: Police

MISSION

It is the mission of the Warrington Township Police Department to provide a safe a secure environment for the citizens and visitors of Warrington Township. We will strive to provide the highest quality police service possible with the goal of protecting lives and property and maintaining order while forming a partnership with the community. We pledge to enforce all the laws fairly and impartially while working within the framework of the United States and Pennsylvania Constitutions. Members of the Warrington Township Police Department will at all times conduct themselves in a highly ethical manner that will ensure the highest level of trust from the community we serve.

RESPONSIBILITIES

- Suppressing criminal activity.
- Apprehending offenders.
- Regulating and enforcing traffic.
- Responding to medical emergencies.
- Supervising the canine unit.
- Providing initial and follow-up investigation of all reported crimes.
- Processing all arrested persons.
- Preparing and coordinating criminal cases for court.
- Gathering and disseminating criminal intelligence information.
- Coordinating traffic engineering.
- Identifying areas in need of selective enforcement in order to reduce accident rates.
- Supervising animal control, crossing guards, and police utility attendant functions.
- Addressing specific crime patterns utilizing uniformed or plainclothes officers depending on the situation.
- Supervising all communications systems and personnel in support of field activities.
- Maintaining central records and report review.
- Overseeing photography and fingerprinting functions
- Maintaining facilities and detention area control.
- Preparing and reviewing department budget.
- Overseeing research, planning and statistical activity.
- Managing personnel administration in coordination with the Human Resources Department.
- Recruiting and training personnel.
- Investigating allegations of misconduct.
- Coordinating acquisition of computer hardware and development of appropriate software in cooperation with the Information Technology Department.

2022 GOALS

- Test and promote 3 Patrol Supervisors (Corporals) to fill the void in 3 out of 4 patrol squads.
- Bring police department to peak efficiency
- Bring Live-Scan prisoner processing capabilities to the Police Department
- Reestablish the traffic safety unit

2021 ACCOMPLISHMENTS

- **CRIMEWATCH TV-** Police now have their own CRIMEWATCH TV channel inside their public lobby. It is a network of crime fighting kiosks which displays a rolling view of active cases, warrants, and news posts directly from the police department
- **Walking While Black Love is the Answer series:** Warrington Police remain participants with the Bucks County District Attorney's office in this series. Two events were held in 2021.
- **Drug take back Event:** Police participated in Bucks County's bi-annual Drug Take back event. Forty-one cars came to our police station drive thru to drop off medication and we filled six large boxes of unused medication.
- **County Line Road Inter-Municipal Agreement:** Recently, Warrington, New Britain, and Montgomery Township entered into an agreement to conduct traffic stops on County Line Road. This agreement has been vetted by both District Attorneys and has been agreed upon by each municipality's elected officials. After consultation with our District Attorney's Office, protocols have been recommended and approved. The first wave of enforcement took place and 25 cars stops were made by patrol officers.
- **Promotional Announcement:** Chief Friel selected Jessica Bloomingdale to become the new Patrol Sergeant. She became the first female Sergeant in Warrington history.
- **K9 Training:** Both K9 officers attended an Advanced K9 Summit in Virginia with other K9 teams from around the country. Our K9 team received several compliments on how organized, professional & prepared they were.
- **Technology updates:** Police are working with Premier to complete several technology upgrades for the police department. Most important is a new terminal server to meet the Federal and State minimum security requirements. This needed to be done due to the security requirements of many of the state systems that our officers' access. Secure email and the WatchGuard server for the body cameras are some other items we are working on.
- **New Firearms:** Police have completed the transition from 45 caliber firearms to 9 mm firearms. As part of this transition all officers were trained in Use of Force, De-escalation, and Duty to Intervene. The Policy committee met earlier this month for some changes/additions to the Use of Force policy to meet the most current standards.

- **CB South First Responders night-** About a dozen police officers and K9 Murphy attended the CB South Football game and were recognized at the halftime ceremony for their service to the Community. Special Thanks to CB South and the Central Bucks School District for their support of our police officers.
- **50th Anniversary** – Police celebrated 50 years of dedicated service to the community. There was an open house and meet and greet with the officers.
- **Kruisin with K9's** – Car show and fundraiser to benefit the Warrington Township police K9 Unit was held at the Shops at Valley Square.

DEPARTMENT: Department of Emergency Services (DES)

MISSION

Provide the highest level of fire protection to minimize life and property losses through stringent regulations, fire prevention and education. Constantly improve fire suppression utilizing both the Township's volunteer and career firefighting force.

RESPONSIBILITIES

- Enforcing the provisions of the Fire Prevention Code of the Township Code.
- Inspecting commercial, public and institutional buildings on a regular basis.
- Inspecting private dwellings at the request of occupants.
- Responding to citizen complaints.
- Ensuring that proper life safety provisions are incorporated in new construction and major renovations.
- Investigate all fires to determine cause.
- Providing educational programs for school children, apartment dwellers, service clubs, health care facility staff and other citizens.
- Maintaining an up-to-date record of fire calls and causes.
- Coordinating the training of volunteer firefighters.
- Testing of all fire apparatus annually in compliance with the standards of the National Fire Protection Association.
- Monitoring the terrorism threat and the response capabilities of the Warrington Fire Department.
- Enhancing the recruitment and retention of volunteer firefighters.
- Responding to all fire and emergency calls.
- Providing training of volunteers through formal programs at the training grounds and "in station" drills.
- Maintaining training records.
- Working with the Fire Companies to ensure proper firefighter/officer qualifications.

2022 GOALS

- Work with fire chiefs to continually update and enhance incident response dispatch procedures.
- Ensure Fire Marshals have the most up to date training and working knowledge of investigations involving fire origin and cause.
- Implement the recommendation from the DCED Fire Services Study when directed by the Board of Supervisors

2021 ACCOMPLISHMENTS

- The DES staff continues to work with the volunteer chiefs to enhance response. Daytime DES staff are now responding with volunteer staff for mutual aid responses to assure adequate staffing both in numbers and in training levels. This was requested by Chief Bean.
- In addition, the county has been working on updating the CAD system. Through this process, the Director has met with county reps and Chief Bean to assure proper response from both Warrington units and requested mutual aid units.
- Due to COVID most training early in the year was either cancelled or postponed. There is a class in October of 2021 that will be attended by the fire investigative staff to further their knowledge and skill level. The goal is to be able to provide the members of DES to be ability and confidence to conduct fire investigations on their own.
- The fire service study continues to be a living document. We have had several meetings to discuss “where we are and where we are going.” Some findings have been addressed and some continue to be on hold.
- Through September 2021- Responded to: 195 Fire calls, 85 EMS calls, completed 1218 inspections

DEPARTMENT: Planning & Zoning

MISSION

Guide the development of the township in an orderly and environmentally sound fashion using the Comprehensive Plan, the ordinances of Warrington Township and any other federal, state or county standards or regulations. Conserve the Township's natural resources by collaborating with public and private sector partners. Provide public service that is friendly, convenient and exceeds expectations.

RESPONSIBILITIES

- Develop, maintain and enforce the township's zoning ordinances
- Facilitate the development and growth of the township through review and guidance of development plans submitted
- Ensure compliance with the federal, state, county standards and regulations as well as Warrington Township's.
- Liaison between residents and developers and professional staff and regulating agencies
- Facilitate and act as liaison to the Planning Commission and Zoning Hearing Board

2022 GOALS

- Correct minor issues in the Zoning Ordinance
- Finalize and adopt the Subdivision and Land Development Ordinance
- Update Code of Ordinances to incorporate all ordinances passed since the last update.

2021 ACCOMPLISHMENTS

- **Zoning Ordinance**.- The comprehensive revision of the Zoning Ordinance was finalized and the ordinance was adopted on August 24, 2021 with an effective date of August 29, 2021. Links have been provided for public access and General Code has uploaded an image of the ordinance pending the 2022 update.
- **Increased Application and Denials**- The increased level of residential construction projects for existing homes remained steady. Many residents had the projects designed without taking zoning requirements into consideration. This has caused both permit denials and increased applications to the Zoning Hearing Board for zoning relief. The number of Zoning Hearing Board Applications is approaching 25 and may reach 30 for the year.

- **Land Development – Residential** – Land development has slowed as the inventory of land available for residential development decreases. The township currently has five developments under construction. All houses are complete in Warrington Glen, and Parkview at Warrington and Perry Farm are currently building the final homes. Two are building the final homes. Both Emerson Farm and Pine Grove Valley are in active construction. Two developments are working their way through the subdivision approval process. Laurel Crossing will add 22 new homes, and the Cardamone tract will include five lots, one of which is an existing dwelling to remain.
- **Land Development – Non-residential** – There has been some non-residential re-development converting vacant buildings into two or more businesses. Notable examples include: Chase Bank (formerly Ruby Tuesday’s), Chipotle/Aspen Dental (formerly TGIFriday’s), Amazon Fresh/Petco (formerly Genuardi’s Supermarket). Applications are in progress for the Easton Buffet and some interest has shown along the Easton Road Corridor in the Valley Square area and the strip along the easterly side of Easton Road between Valley Square Boulevard and the Wellness Center. In addition, zoning regulations encourage mixed use developments in certain areas of the township including Warrington Village and Eureka Village. Finally, a portion of the St. John Neumann Cemetery has been re-zoned as IST to promote scientific and technical business development on the edge of the township.

Public Works

DEPARTMENT: Public Works

MISSION

Warrington Township Public Works Department mission is to provide essential services to serve the citizens of Warrington in a prompt, courteous, safe, efficient and cost-effective manner. Public Works, through its dedicated personnel, strives to enhance the quality of life through planning, innovative practices, and maintaining public infrastructure in a manner that respects the environment and the ability of Warrington to adequately preserve these assets for generations to come.

RESPONSIBILITIES

- Administering the activities of the following divisions:
 - Highway
 - Facilities Maintenance
 - Fleet and Equipment Maintenance
- Work with the Township Engineer to implement the recommendations adopted by the Board of Supervisors.
- Identifying areas of cost containment throughout all operations within the Public Works Department.
- Assisting with preparing and submitting applications to FEMA/ PEMA for federal and state reimbursement of costs incurred as a result of severe weather events.

2022 GOALS

- To integrate the DocterAdams® Park into the comprehensive maintenance program for township Parks. This Park like all parks will require routine maintenance and trash removal going forward.
- Hire and train four New Employees – two Replacements and two Additional Employees.
- To implement the on-the-job training program as well as job rotation training.
- Provide CDL training where new personnel achieve success by the six-month requirement.
- Measure our training and development program to optimize employee growth as well as accelerate the learning process.
- Provide the necessary support and evaluations for a successful employee outcome.

2021 ACCOMPLISHMENTS

- Township Administration Renovation Project Completed in 2021. This project was started in 2020, however due to the immensity of the project it was finally completed in 2021. The large Neshaminy meeting room was added with pictured frame photos on the walls. Three (3) new doorways were installed to connect the two sides, one of which provided additional security at the main entrance. Two (2) smaller meeting rooms were renovated for residents to meet with township officials.
- Public works installed three (3) Crossover pipes on Kelly Road at a cost of \$3,798, a significant savings of \$51,401 from having to contract this work out.
- Two (2) Stormwater Crossover pipes installed on Philadelphia Avenue, along with two (2) M-Tops.
- A total of 58 C-Top/M-Tops were installed in preparation of the 2021 Road Program. Contractors charge more than \$3,000 per C-top/M-Top replacement. Public works Costs: \$14,120. for all 58. A private contractor would cost more than \$100,000.
- Stump Road Stormwater Crossover Pipe clogged. Crews using heavy equipment cleaned out the obstruction and debris rendering the pipe fully operational.
- Removed 20' ft. of concrete stormwater pipe that was fractured and infiltrated by tree roots on Palomino and Holly Drive. The three sections of concrete pipe were replaced with Plastic to prevent root infestation and durability.
- Barness Park: Installed 5 new Baseball/Softball Backstops
- Softball French Drain installed on Majors field, consisted of 180' foot of perforated 6" inch ABS drainpipe. Drain was topped off with Red Stone with a sod filtration to complete the job.
- Rented heavy equipment (Bulldozer) to disperse the large mountain of dirt at John Paul Park at Lower Nike. The area was hydro seeded, strawed for proper grass growth.
- Installed a large human size chess board at Lions Pride Park using Pavers.
- Public Works completed extensive plaster repairs on the main pool at Mary Barness Community Pool due to a significant leak at the transition point from the shallow end to the deep end of the pool.

DEPARTMENT: Parks & Recreation

MISSION

Encourage citizens to engage in active, healthy lifestyles. Conserve the Township's natural resources by collaborating with public and private sector partners. Provide public service that is friendly, convenient and exceeds expectations.

RESPONSIBILITIES

- Developing, maintaining, and renovating Township parks.
- Maintaining all athletic fields, playground equipment, comfort stations, hard-surfaced courts and the Township's swimming pool complex.
- Maintaining turf, shrubs and trees at parks and natural areas.
- Assisting with snow removal on Township streets and walks.
- Cleaning up storm damage.
- Removing leaves.
- Collecting trash and debris at Township parks and facilities.
- Planning, developing and supervising the various recreational programs and facilities.
- Recruiting, training and supervising part-time personnel for various recreation programs and park maintenance duties.
- Supervising and issuing permits for park and community building use.
- Maintaining an updated inventory of agencies and program opportunities that are designed for the Township's special needs residents.

2022 GOALS

- Continue to add recreational programming for the Township
- Address goals from the Parks, and Recreation Open Space Plan
- Work with all Committees to align their goals and priorities
- Coordinate with Athletic Organizations to maximize field usage and maintenance
- Create priorities and begin planning for projects contained in the Parks, Recreation and Open Space Plan
- Continue with the progress on Lions Pride Park Phases and additions
- Seek grants and plan for a Community Room at Lions Pride Park
- Develop a plan for the 15-acre property on Bristol Road
- Address the aging pool at Barness Community Pool and develop a plan for the future of the facility
- Develop a trail connection from Special Equestrians to the Bradford Dam trail

2021 ACCOMPLISHMENTS

- **Lions Pride Park** – Awarded a “Great Places in PA” award from the APA (American Planners Association). Added permeant life-size chess board to Lions Pride Park. Maintained consistent pavilion rentals. Added an additional camera to the Lions Pride network to increase monitoring of the park area.
- **Warrington’s Mary Barness Community Pool** – Pool opened without any restrictions, and we were able to bring back swim lessons, special events such as Family fun days, and movie nights. We held two lifeguard re-certification classes to keep our staff up to date. The pool saw one of its best summers with increased memberships and daily attendance numbers.
- **Youth Sports Leagues Update** – Worked with the Parks & Recreation board and the Athletic Organizations boards to update their maintenance agreements. Also continue communications with organizations to address future facility concerns.
- **Park & Rec Programing** – Continued offering babysitting program twice a year with good numbers, added an outdoor archery program at John Paul Park and a weeklong multi-sport camp at IPW.
- **DocterAdams® Community Park** – Began construction of DocterAdams® Community Park on September 27th. This project is a collaboration between the Township, CommonBondz, and Josh Adams (NY JETS Running Back) to upgrade the Willow Knoll Park.
- **Trails Map** – Worked with CKS and Bike & Hike Committee to develop an updated trails inventory and map.

Debt Service Fund (21)

Warrington (Township of) PA (Bucks County)

Update following upgrade to Aa1

Summary

Warrington Township's strong financial position will continue to improve in the near term in light of growing revenue and an expanding taxable base. The township's sale of its water and sewer systems at the end of fiscal 2019 resulted in the creation of a sizable new cash reserve outside of its General Fund. The township's debt burden will remain modest in the near-to-middle term due to an absence of borrowing plans on the horizon.

CREDIT OPINION

3 February 2020

On February 3, 2020, we upgraded the township's general obligation unlimited tax (GOULT) rating to Aa1 from Aa2.

Credit strengths

- >> Newly established sizable cash reserve generated from sale of water and sewer systems
 - Strong and improved General Fund reserve position
 - Large and growing taxable base
 - Above average wealth and income levels

Credit challenges

Dependent on economically sensitive income tax revenue

Rating outlook

Outlooks are not typically assigned to local government credits with this amount of debt outstanding.

Factors that could lead to an upgrade

- >> Significant tax base expansion
- >> Continued and material growth in reserves and liquidity

Factors that could lead to a downgrade

- Material reduction of reserves and liquidity
- Outsized increase in leverage
- > Deterioration of taxable base and/or wealth levels

Profile

Warrington Township is a predominantly residential municipality located in suburban [Bucks County, Pennsylvania](#) (Aaa negative), about 21 miles north of Center City in [Philadelphia](#) (A2 stable). The township is home to approximately 24,000 residents.

Detailed credit considerations

Economy and Tax Base: Large residential tax base experiencing strong growth; Above average wealth and income levels Warrington's large \$3.1 billion property tax base (2019) in proximity to Philadelphia will continue to experience a healthy degree of growth in the near to middle term, as management reports ongoing residential development within the township. Roughly 200 new single-family homes and 40 new apartments are projected to come online in the near term. Management also reports a healthy degree of commercial development in progress, which includes the construction of supermarkets, retail outlets, and fitness facilities, along with a 90-unit memory care facility. After this development takes place, the township will be approximately 85% built out, leaving room for further growth in the future. The township's tax base has grown by a compound annual 2.4%, on average, over the last five years - a figure that exceeds medians for cities and townships across the commonwealth and nation.

The township's wealth and income levels are above average, which is favorable considering the township's dependence on income tax revenue. Median family income in the township is 168% of the nation. Additionally, poverty is only 7% in the township compared to 13% for the commonwealth. Countywide unemployment, at 3.7%, falls between the commonwealth and national levels. Full value per capita is well above average at \$125,000.

Population has continued to grow since 2010 and was approximately 24,000 residents in 2017.

Financial Operations and Reserves: Strong reserves and liquidity poised to improve; Reliance on income tax revenue for operations; Recent sale of water and sewer systems

Warrington's strong financial position will continue to improve in the near term. In December of 2019, the township finalized the sale of its water and sewer systems for \$35 million. Of that amount, approximately half was used to pay off outstanding debt, \$13 million was deposited into a capital reserve fund to fund the township's capital needs for the next six years, and \$4 million was deposited into a tax-rate stabilization fund to eliminate the need for large property tax levy increases. Given an additional \$17 million in reserves post sale, the township reports a very robust total operating reserve position of \$23.1 million, or roughly 143% of revenue, at fiscal year end 2019.

Aside from the benefit of this one-time revenue, the township's prudent management and conservative budgeting practices has resulted in three consecutive years of operating surpluses, bringing General Fund reserves to a five year high of \$4.6 million or 33.1% of revenue at the end of fiscal 2018. When incorporating the township's Debt Service Fund and Special Revenue Fund, its available fund balance grows to \$5.1 million. Management reports that fiscal 2019 is projected to end with a \$1 million operating surplus due to growth in earned income and property tax revenue. The township increased its property tax levy by 1.45 mills or 11.3% in fiscal 2018.

Conservatively, the township expects to have balanced operations in fiscal 2020. Future assessments of the township's credit quality will focus on its ability to maintain its healthy reserve position over the long term.

The township is reliant on economically sensitive earned income taxes, which account for about 27% of operating revenue. An additional 27% of revenue is derived from property taxes, while the remainder is derived predominantly from intergovernmental sources, charges for services, and real estate transfer taxes.

LIQUIDITY

The township's cash position is expected to remain very strong moving forward. At the end of fiscal 2018, its General Fund cash position was \$2.7 million or 19.7% of revenue. When incorporating the township's Debt Service and Special Revenue Funds, liquidity equated to \$3.9 million or 23.8% of revenue.

Debt and Pensions: Modest debt burden; Absence of near term borrowing plans

The township's debt burden will remain modest due to an absence of borrowing plans, since its capital plan was fully funded with proceeds from the sale of its water and sewer system. After the township issues its Series of 2020 bonds, which will refund its Series of 2013 bonds, its net direct debt will be approximately \$30.8 million or a modest 1.0% of full value. In fiscal 2018, debt service accounted for 13.6% of operating expenditures or \$2.2 million. The township issued debt in March of 2019 to finance the construction of a new police station. As such, debt service grew to approximately \$2.6 million in 2019. Favorably, however, it will remain stable through 2026 before declining significantly to \$1.6 million through 2034, when it declines furthermore to \$1.0 million through maturity.

DEBT STRUCTURE

The majority of the township's debt is fixed rate amortizes over the long term, with an average 69% of principal maturing over the next ten years. Approximately \$5.1 million or 16.9% of the township's debt is privately placed with [ID Bank, INLA](#) (Aa2 stable). The interest rate on the note is fixed at 2.1% through 2026 and then becomes variable but cannot exceed 4%. In the event of default, the entirety of the note may be due in full, though the township has sufficient liquidity to cover such an event. Moreover, due to the township's finances, we consider this risk to be minimal.

DEBT-RELATED DERIVATIVES

Warrington Township is not exposed to any swaps or other derivatives.

PENSIONS AND OPEB

The township contributes to one single-employer defined benefit pension plan covering police and one single-employer defined contribution plan covering non-uniformed employees. The township's annual contribution totaled \$876,000 in fiscal 2018, which equated to 5.4% of operating revenue.

The township's three year average adjusted pension liability, under Moody's methodology for adjusting reported pension data, was \$18.4 million in fiscal 2018, which is an average 1.14 times operating revenue. Moody's uses the adjusted net pension liability to improve comparability of reported pension liabilities. The adjustments are not intended to replace the township's reported liability information, but to improve comparability with other rated entities.

Total fixed costs including pension, post-employment benefits, and debt service in 2018 equaled \$3.2 million or 19.7% of revenue.

Management and Governance: Strong financial planning; Formal fund balance policy in place

The township practices strong fiscal management as evidenced by its strong fund balance growth. Historically, the township has budgeted conservatively. Moreover, it maintains a formal fund balance policy of keeping 15% of its annual budget in General Fund reserves. Additionally, the township's policy is to set aside one-time revenues for future use, which was the case with the one-time revenue received from the sale of its water and sewer systems.

Pennsylvania cities have an institutional framework score of Aa, or strong. Cities enjoy the authority to adjust the property tax millage without limitation. While many cities rely on economically sensitive revenues such as income taxes, they have the authority to increase property taxes to offset any declines in these revenues. Organized labor does have a strong presence in the state, and state labor law gives bargaining groups significant leeway to seek arbitration. Most cities have been challenged to control and predict labor costs,

Rating methodology and scorecard factors

The US Local Government General Obligation Debt methodology includes a scorecard, a tool providing a composite score of a local government's credit profile based on the weighted factors we consider most important, universal and measurable, as well as possible notching factors dependent on individual credit strengths and weaknesses, its purpose is not to determine the final rating, but rather to provide a standard platform from which to analyze and compare local government credits.

Warrington Township Budget | 2022

Payments made on the bonds, notes and long-term obligations pertaining to the Township's governmental activities are made by the Debt Service Fund.

The Township issues general obligation bonds and notes to provide funds for the acquisition, construction, and improvements of major capital facilities. General obligation notes are direct obligations and pledge the full faith and credit of the Township. These notes are generally issued as 15–20-year serial notes with varying amounts of principal maturing each year.

2022 Proposed Budget Internal Service Fund (38)

Township Hook Truck with JCB Skid Steer

The Internal Services Fund (ISF) receives its funding from departmental assessments and the sale of surplus property. This funding is used to replace the Township's fleet on a rotating basis but may also include various hardware and software upgrades or other types of major equipment. Most of these purchases are done either on a cash basis or through capital lease/purchasing arrangements ranging between 3-7 years depending on the equipment's useful life.
