BARRY P. LUBER

To: Board of Supervisors

From: Christian R. Jones, Director of Water and Sewer/Assistant to the Manager

Date: March 10, 2017

RE: Update on Water Situation

Costner Filtration Project

The Costner monitoring well has been abandoned. A meeting was held on March 3, 2017 with the contractor to discuss upcoming work. The contractor will begin stripping topsoil and start the layout of the building.

Air National Guard Cooperative Agreement Amendment

A revised version of the Air National Guard (ANG) Cooperative Agreement (CA) Amendment was sent to Dick McCoy of the ANG on February 27, 2017 to reflect modifications requested by the ANG concerning the scope of work and costs through May 31, 2018 (excluding costs associated with the original CA). Additionally, a cost estimate for annual maintenance was sent to the ANG for review and planning purposes (past May 31, 2018).

Public Water Connections

As of March 9, 2017, 4 properties have been connected to public water (excluding 4 properties connected previously via my predecessor's "Friendly Lien Agreement" vehicle). Township Engineers and contractors anticipate 5 additional connections to be completed by the end of the month.

I will be sure to provide additional updates as there are updates to provide.

Thank you!
